Child Poverty Task Force

In 2007 Lambton County Council created a Child Poverty Task Force representing various sectors of the community. The task force’s purpose was to recommend a community based model for the County of Lambton to adopt as a strategy to reduce the number of children living in poverty in the community. The task force was also to recommend a long term strategy for monitoring the model’s implementation.

After its first few meetings, the task force developed the following definition of poverty, along with the tagline Today’s Child...Tomorrow’s Future:  “Poverty is when a person or a community is deprived of, or lacks the essential resources required, for a minimum standard of well-being.”

The Task Force produced this booklet as a quick reference resource and is developing a plan for the implementation of the Circles Campaign Model of poverty reduction. This model engages people from poverty and middle class to work together on their dreams, plans and goals.

The Circle Campaign Model aims to:
- Change the mindset of the community so it wants to and thinks it can end poverty;
- Change the goals (policy, law) of the system to end poverty;
- Empower people in poverty to help solve community problems while transitioning out of poverty themselves.

Task Force Members:
- Jim Foubister – County/City Councillor, Chairperson
- Doug Ball – Manager, County of Lambton
- Ken Dick – General Manager, County of Lambton
- Tony Doucette - Professional Business Sector
- Margaret Dragan – Education Sector
- Rhonda Janess - Parent
- Father Robert Lemon – Faith Based Sector
Dr. Clare McGregor – Medical Sector
Brian McManaman – Poverty Advocate
Gord Perry - Lambton County Councillor
